

# Resources in the Textbook

Appendix A: The Solutions of Linear Simultaneous Equations	pp. 705-724
Appendix B: Complex Numbers	pp. 725-730
Appendix F: An Abbreviated Table of Trigonometric Identities	p. 759
Appendix G: An Abbreviated Table of Integrals	pp. 761-762
Appendix H: Common Standard Component Values	p. 763
Answers to Selected Problems	pp. 765-780
Greek Alphabet	inside front cover
An Abbreviated List of Laplace Transform Pairs	inside front cover
An Abbreviated List of Operational Transforms	inside front cover
Periodic Functions	inside back cover
Fourier Series	inside back cover
Fourier Transforms of Elementary Functions	inside back cover
Operational Transforms	inside back cover
