	Project Proposal													
NEAL	Learn Arduino													
ALEXANDER	Order Materials													
ELIZABETH	Connect FM and Arduino, learn code to do this													
	Develop method to find location using FM signal													
ALL	Put method into code													
	learn how vibration motors and Arduino work													
	Code motors to lead user to the door													
	Connect all the Arduinos													
	Design controller to fit arduinos and motors													
	Full Run Through of Demonstration													
	Make Poster													
	Finalize Wiki
