Melanie Osborn
Engineering Student Services
Lopata Hall, Room 303
or
Max Miller
Max's pendaflex

First Name: Last Name:

Preferred Name: WU Student ID:

Major:

Standing in Fall 2009 (check one) ___Sophomore ___Junior ___Senior

Will you study abroad next year? Yes No

e-mail address (WU account): Phone number (cell preferred):

Are you pursuing a particular research opportunity next year? If so, please explain:

Is there a specific academic advisor you would like to work with?

Please list your co-curricular activities.

Please answer the following questions and remember your responses are an important part of this application.
1. What value do you see in peer advising for Engineering students?
2. A student approaches you at Orientation confused about which major to choose, what would you suggest to that student?
3. Tell us about your most valuable co-curricular activity. How can you apply what you learned to peer advising?

I have read and fully understand my peer advising responsibilities and time commitments. I agree that failure to meet these expectations and responsibilities will result in immediate dismissal from the program.
